14 16.848 (1) Except as provided in sub. (2), the department may offer for sale or  
15 lease any state-owned real property, if the department determines that the sale or  
16 lease is in the best interest of the state, unless prohibited under the state or federal  
17 constitution or federal law or the sale is conducted as a part of a procedure to enforce  
18 an obligation to this state. Any sale may be either on the basis of public bids, with  
19 the department reserving the right to reject any bid in the best interest of the state,  
20 or on the basis of negotiated prices as determined through a competitive or  
21 transparent process. If the department receives an offer to purchase property offered  
22 under this subsection, the department may submit a report to the building

2 property and regardless of whether the property is included in an inventory  
3 submitted under s. 13.48 (14) (d). If the building commission approves the proposed  
4 sale, the department may sell the property. Except with respect to property  
5 identified in sub. (2), if any agency, as defined in s. 16.52 (7), has authority to sell or  
6 lease real property under any other law, the authority of that agency does not apply  
7 after the department notifies the agency in writing that an offer of sale or sale, or a  
8 lease agreement, is pending with respect to the property under this subsection. If  
9 the sale or lease is not completed and no further action is pending with respect to the  
10 property, the authority of the agency to sell or lease the property is restored. If the  
11 department sells or leases any state-owned real property under this subsection, the  
12 department may attach such conditions to the sale or lease as it finds to be necessary  
13 or appropriate to carry out the sale or lease in the best interest of the state. If the  
14 department sells or leases a state-owned heating, cooling, or power plant under this  
15 subsection, the department may contract with the purchaser or lessee for the  
16 operation of the plant.

17 \***-1130/9.25\*SECTION 126.** 16.848 (1e) of the statutes is created to read:

21 the agency shall convey all systems, fixtures, or additional property interests  
22 specified by the department to the purchaser or lessee of the property on terms  
23 specified by the department. If the department sells, leases, or contracts with a  
24 purchaser or lessee for the operation of a state-owned heating, cooling, or power  
25 plant that is under the jurisdiction of an agency, as defined in s. 16.52 (7), the agency

8 **\*-1130/9.27\*SECTION 128.** 16.848 (1s) of the statutes is created to read:

9 16.848 (1s) (a) If the department sells, leases, or contracts with a purchaser or

13 expenditure estimates for approval under s. 16.50 (2) for each agency that proposes  
14 to expend moneys from any appropriation for the operation of the facility during the  
15 fiscal biennium in which the facility is sold or leased or operated under contract.

16 (b) Notwithstanding s. 16.50 (2), the secretary shall disapprove any such  
17 estimate for the period during which the facility is not operated by the agency. The  
18 secretary may then require the use of the amounts of any disapproved expenditure  
19 estimates for the purpose of purchase of contractual services from the facility or  
20 payment of the costs of purchasing services that were provided by the facility from  
21 an alternative source. If the department sells, leases, or contracts for the operation  
22 of a facility under this subsection, the secretary may identify any full-time  
23 equivalent positions authorized for the agency that was operating the facility the  
24 duties of which primarily relate to the management or operation of the facility, and  
25 may decrease the authorized full-time equivalent positions for the agency by the

1 number of positions so identified effective on the effective date of the sale, lease, or  
2 contract.

3 (c) Notwithstanding s. 20.001 (3) (a) to (c), the secretary may lapse or transfer

8 determined by the secretary to be allocated for the management or operation of the  
9 facility that was sold or leased or operated under contract effective on the effective  
10 date of the sale, lease, or contract.

11 (d) The secretary shall report any action taken under this subsection to the
